## FENCIBLES.

The Knoxville Marriage Benefit Association have fitted up very comfortable quarters in the room adjoining the office of Alex Allison, Esq.

A brick addition extending back to the alley, is being erected to the rear of the building, in rear of the store occupied by E. B. B. J. N. Betterton &amp; Co., and V. Burger &amp; Sons.

Dennis Foley, who was stabbed Friday by Tip Gilpin, was resting tolerably well at last accounts last night, and though his condition is yet serious, it is thought he will get over it.

Constable Chas. S. Douglas has erected two very neat and convenient frame tenement houses on the lots purchased by him at public sale, on Hardee street, opposite Col. G. M. Bonner.

We are glad to notice Mr. Joe C. Harris, salesman with Havey's tinware and stove house, on Market square, able to be out again, after a confinement of several days to his home with a serious illness.

Ex-Gov. Jas. D. Porter was, at a meeting of the directors last week, re-elected president, and J. W. Thomas, general superintendent of the Nashville, Chattanooga and St. Louis Railway. Maj. Thos. O'Connor, of this city, was elected a director.

An application for the charter of the Knoxville Furniture Manufacturing Company was filed in the County Court clerk's office last week, with Thomas R. Price, Thomas H. Glick and others, incorporators.

Hamilton County's murdered sheriff, W. T. Tate, had joined the Royal Arcanum a few days before his tragic death, holding a \$3,000 benefit policy, and also had a \$5,000 accident policy. Captain Conway had no insurance.

The statement of the Chattanooga Times that the Taylor robbed the murdered Capt. Conway of his money, is erroneous. The coroner's jury found \$21 in his pockets, besides his scarf pin, finger ring, and other articles. The Taylor got his pistols, but robbery was evidently not his purpose.

We are glad to learn that we have a valuable acquisition to our citizenship in the person of Mr. J. W. Berches, who is now a partner in the wholesale dry goods and notion house of McNulty, Lillard &amp; Co., and who will soon remove from Strawberry Plains and occupy his new home, purchased from Mr. J. B. Hoxsie.

## Proof for Itself.

This is to certify that I have this day received of the Knoxville Endowment Association at the hands of John M. Brooks, President and Treasurer, and B. F. Hooker, Secretary, \$80.00 in full of claim against said Association on account of the marriage of Mr. R. S. Lintrell and Miss Martha C. Currier.

F. C. BRADEN.

The above certificate shows for itself. This Association is doing a most prosperous business and its dealings are prompt and businesslike. The above payment was made from advance assessments and there is enough left in the treasury to the credit of this fund to pay the next several marriages that may occur. This was the first marriage that has occurred in this Association, and as the day classes, in which the certificates were issued are only six days old, it can very plainly be seen what the advantages of this plan are.

## Consul to Mexico.

Dr. S. H. Smith, of this city, who was sometime since appointed by the President as consul to Nuevo Laredo, Mexico, left yesterday's train for his destination. It will take several days to make the journey. He would have gone sooner, but was detained on account of sickness.

Dr. Smith is a citizen of long standing in Knoxville, a physician of long years practice, and a highly respected citizen. He is a gentleman of extended information and learning, well read and posted, and will fill the appointment tendered him with honor and satisfaction, we predict. His many friends join us in wishing him a safe journey, and successful mission. Much apprehension is felt, however, on account of the yellow fever regions, through a portion of which he must go. The Doctor leaves his family in Knoxville.

Nothing except a good appetite so conduces to the pleasures of eating, as a good set of grinders, to possess them, use SOZODONT, the great dental invigorator and beautifying agent. Yellow, tartar-covered teeth grow pearly white and the gums acquire redness and form a pleasing contrast to the snowy hue of the teeth when it is used.

Sunday's Local Express Discontinued.

Beginning with last Sunday, the Southern Express Company have discontinued the local business on the Sunday day trains on the E. T. &amp; Va. &amp; Ga. Railroad. This is a move in the right direction. It is a rare thing that there is any local freight of any consequence on those trains, and what there is can just as well be held over. Besides, this arrangement gives not only the messenger, but the local force one day's rest out of the week, which is needed and should be allotted to all humanity, as well as to the best of burden.
